

Brillo Miller Sports Complex Guidelines

- Everything that is done inside this complex is geared towards having a positive influence on the lives of the kids.
- Please be respectful to all Parks and Rec employees as they do their best to ensure you have a great visit inside our complex.
- The majority of our umpires are teenagers giving their time to the community so that your child can have a great experience. They are human. They will make mistakes. Please do not show yourself if you feel an incorrect call was made.
- Players look up to many of their coaches/parents that attend their games. Give them something positive to reflect.
- At the end of the day, these are kids playing a game to have fun. Please do not ruin that for them.
- There are designated smoking areas throughout the complex. Please be respectful of those around you and use these areas.
- There are numerous NO PARKING signs posted throughout the complex. Please use the parking lot and if assistance is required, we will make accommodations. This helps to ensure the safety of the children.
- Trash cans have been placed throughout the complex. Please properly dispose of your trash in efforts to keep our park clean.
